Balance Outstanding/Amount due

Q1. What is my credit card outstanding balance?

- Your credit card outstanding balance is an aggregate of unpaid charges billed to your SBI Card account during a particular month. It includes:-
- Purchases
- Purchase Returns
- Payments
- Insurance Premiums

-Balance Transfer

- EMIs
- Fees & interest
- Other charges, (Not necessarily in this order) click here for more details

The outstanding amount for a particular month along with the payment due date is communicated to through monthly statements and SMS alerts.

Q2. How can I check my Credit Card Outstanding and Available Credit Limit?

- - **ChatBot ILA:** Login to ILA using your online account user ID and password and ask account information like available credit limit, outstanding balance, statement summary, payment history, transaction history, unbilled transaction & Rewards Points etc.
- **WEBSITE:** Login to your SBI Card account through [sbicard.com](https://www.sbicard.com) and check the 'Current Outstanding' in Account Summary section.
- **APP:** Log into the SBI Card Mobile App and check the 'Total Outstanding' under the Summary Tab. Click Here to download.
- **Missed call service:** Give a Missed call on 9619742906 from your registered mobile number, An instant SMS will be sent on your mobile with latest limits and outstanding.
- **SMS:** SMS BAL where XXXX = Last 4 digits of your SBI Card or TATA Card number to 5676791 from your registered mobile number.
- **EMAIL:** Write to us at sbicard.com/email
- **CALL US:** Call us on our helpline number to check the details.

Q3. What is Total Amount Due and how it is calculated?

- Total Amount Due is the amount due for payment as on the statement date. It includes your opening balance, new purchases, fees & finance charges if any, minus your last payment or any other due

credits.

Q4. What is Minimum Amount Due and how is it calculated?

- The 'Minimum Amount Due' is the minimum amount you are required to pay, on or before the payment due date, to maintain your card account in good standing. By calculating a minimum amount, the bank ensures that you are able to repay a portion of the principal outstanding every month.

The minimum amount due for a particular month is communicated to you through monthly statements and SMS alerts.

[Click here for more details on calculation of Minimum Amount Due](#)

Q5. What happens if I do not pay any amount due before the due date?

- Not making the payment to your card account on or before the due date leads to:-
- Levy of additional late payment fees, interest and other charges.
- A possible suspension of your card.
- Negative effects on your future financial credentials and a negative score at CIBIL.

Please refer the [Most Important Terms & Conditions](#) to know the fees & charges.

Q6. What happens if I pay only the Minimum Amount Due?

- Paying only the Minimum Amount Due every month would result in the repayment stretching over years with consequent interest payment on your outstanding balance. To view the interest, fees & charges, visit the "Most Important Terms & Conditions" according to your card type-
